## INITIAL CONFLICT CHECK

### **PLEASE DO NOT INCLUDE CONFIDENTIAL INFORMATION**

████████ performs a conflict check to ensure that we are not working with the opposing side on the same litigation or related technology prior to discussing details and pertinent background of the project requested.

Please complete the form below and email this to ██████████. The conflict clearance process typically takes a minimum of 1-2 hours. As soon as possible after the check has completed, we will notify you the check has cleared and schedule a more detailed discussion, or we will simply notify you we cannot work with you on this project.
